

DESTO MARAPYANE DEVELOPMENT

Desto recently started the training of 100 learners in the National Certificate in Building and Civil Construction for Purple Stone Investments, at Marapyane in Mpumalanga. The learners will be doing masonry [60] and painting [40] and will finish in September 2011.

The training consists of 12 to 16 weeks of theory with the rest of the time being taken up by applying the theory in practical building and painting in the multi million Marapyane development project.

The pictures below were taken at the inauguration of the learners on 16 September 2010.
