Dear Mr Orsmond

World Environment Day: Cleaning Campaign

I would like to take this opportunity and thank you and your company for assisting us in making the World Environment Day Cleaning Campaign a success. The events on 5 June 2010 were celebrated by cleaning the West part of Mabopane Station and three spots that were identified in Soshanguve Block NN together with the Ward Councillor Sebela of Ward 29.

Of note I would like to thank your driver for his co-operation and for the bakkie that assisted us a great deal.

Hoping that we will work together again in this good spirit in future projects.

Yours truly,

Modjadji Malahlela

REGIONAL EXECUTIVE DIRECTOR
